

IODA – Forever We Will Grow

As I looked around me
I see IODA in a different time
Everything is changing
And it's happening all the time

Changing for the better
So it's up to you and me
To keep IODA together
And for ever we will GROW

Let us come together
From all across the world
Consultants coming together
From all across the world

*Lyrics & Tune by Gloria Sarku,
Composed on the spot and premiered July 30, 2008 at IODA Gala Nite
Live band accompaniment by Ghana Fire Service Band*
