

## *IODA-SONG 2008 Accra, Ghana*

1. Welcome **Akwaaba** to IODA, 2008,  
this time Accra GHANA, close to the “Gold-coast”.  
Growing together in partnership, just look around,  
Colourful intercultural (BREAK)// **OD, what a round!**

- ➔ **“You cannot tell how crooked/ the path is as you cut your way through the rainforest, but the following you can”**☺.
- ➔ Isn't that holistic, telling stories for change, effective partnering, weaving together.

---

2. Noble, Alette, John and Paul, I cannot name you all,  
in this room, here the treasures, leading change by(BREAK) // non-violent transformation.  
Trust and knowledge management, learning for sustainable, organizational health, and effectiveness will follow (BREAK)// -believe in that.

- ➔ NGO Partnerships, why they succeed or fail curing organizational disease, a New OD a tale.
- ➔ AND truth is that kind of error, without which we just can't live, between spaces of constant change, life decides at last.

---

3. System-Wide Change, Large Group Interventions  
Performance under Pressure - Workplace Stress and Resilience  
Leadership Development is Spiritual Development  
Partnership as part of Leadership//BREAK //Healthy for co-workers?

- ➔ Walk for Case Studies, Eight Perspectives for Coaching Youth Panel, OD in Africa, its Cultural Dimensions
- ➔ We have so much in common, and hurray we are so different, the challenge is always there, just pick it up and contribute.

---

4. Between now till Thursdays farewell, trip to Akosombo  
a cruise on the Volta Lake, our minds alive will keep.  
Our eyes we have to see the sun, our hearts to feel some joy,  
and meeting on the way some love(BREAK) //-surprises all the way.

Hey!

- ⇒ Isn't that embracing, simply human, enjoying ourselves it's later than we think.
- ⇒ Isn't that embracing, simply human, enjoying ourselves// } 2x just start right now!
